What we decided for 2027

One plan for everyone, with an out-of-state option. Same carrier, same company contributions.

BASE PLAN

The $3,500 HSA for everyone

Priority Health's $3,500 HSA on the HMO network. Every employee is on the same plan design.

BUY-UP

POS version for out-of-state care

The same $3,500 HSA on the POS network. Adds Cigna providers outside Michigan at the in-network level. The employee pays the difference.
